Docket Abstract

Construction of the Town Hall building at Myamati – Payment of Rs 731/-, excess share of Govt fund

Sir,

With reference to your letter no M3 C 1357/47-48 dated the 14th January 1948, on the above subject, I am asked to state that your letter no M3 C 3494 of 46-47, dated 13-11-46 does not appear to have been received in this Secretariat further, as the excess share of the Govt fund for the work of Rs 731/- has already been sanctioned in G.O L 3370-2/21 100-46-2 dated 7-9-46, it is not clear what further orders were sought in the matter, and whether it is the intention of the Town Municipality now to draw this sum debiting the Govt fund for 47-48, as it could not be drawn during 1946-47

The position may be clarified early

Copy of the Letter No.344/46-47, dated 15th November 1946
From the Deputy Commissioner, Shimoga District to the
Secretary to Government, Revenue Department, Bangalore

Subject - Town Improvement and Water supply grants 46-47 for Town and Minor Municipal Councils, Shimoga, District, proposals of

With reference to your letter No.L 1915-28, dated 1st August 1946, and subsequent reminder letter No.L 5475-8 dated 2nd November 1946, calling for early submission of proposals in regard to the distribution of town improvement and water supply grants during the current year, 1946-47 for carrying out Public improvement works in the several town and minor Municipalities in Shimoga district, I have the honour to forward herewith three statements, furnishing therein, particulars as to the grants required as detailed in the margin

Statements -
No 1 Proposals in respect of improvements works towards which commitments have been made by Government

2 Proposals regarding the 1 grant required for the several improvement works

3 Proposals regarding the Water supply grant required

In this connection I write to state that from the scrutiny of the proposals submitted in this connection by the Presidents of the respective Municipal Councils it is seen that in many cases several improvement works of urgent nature towards which grants are to be granted have not been included by such

With a view to enable the Deputy Commissioner, to select certain works of urgent nature towards which Government grants are essentially required, I would suggest that a lumpsum grant from out of the State grant to be allotted for the purpose for the year, as in the case of distribution of Grants under "Assignment to Village Panchayats," in the State Budget be placed at the disposal of the Deputy Commissioners of Districts -

Deputy Commissioner may be authorised to give grants in respect of items of work whose cost is less than Rs 5000/-, the grants in each case exceeding that amount being reserved for Government. It would then be possible for Deputy Commissioners to secure the maximum assistance from the Public for works of public utility and also to see that works of essential importance are carried out first
